# CHARITY AUCTION

RAISING SUPPORT FOR SUBSTANCE ABUSE  
PREVENTION, TREATMENT, AND RESEARCH

# RAISING SUPPORT FOR FAMILIES AND INDIVIDUALS IN NEED

---

Dear Partner,

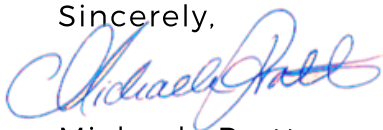

2020 was a difficult year, in so many ways. The isolation and shutdown of communities have directly impacted everyone, but some vulnerable groups of society more than others. Since the COVID-19 related social distancing began, the frequency of alcohol and substance use has dramatically increased. Last year we saw the highest number of overdose deaths ever recorded in a 12-month period, a statistic largely missed by the press due to the dominance of Covid-19 coverage.

Our mission is to provide support to organizations involved in the prevention, treatment, education, and research related to substance abuse. Since our inception in 2016, we have provided over \$600,000 in funding to organizations in the D.C. Metropolitan region, all providing essential services within the area of substance abuse.

This Fall we will host a Silent Auction campaign on CharityBuzz, the world's premier charity auction site catering to the top high net bidders and the most affluent philanthropic community in the world.

We hope you will consider supporting this important initiative and help us raise some important funds for families and individuals in need.

Sincerely,

Michaela Pratt  
Director of Development
